Steel Building Accessories is a proud supplier of PDL walk doors. Let's face it; the door of your building is something that will be used every day. You should demand a high quality steel door.

From the 20 gauge steel skin to the high quality weather stripping around the door we are sure you will find that a walk door purchased through Steel Building Accessories will provide exceptional quality. Your walk door comes pre-assembled with sub jambs. Do-it-yourselfers and contractors alike appreciate the ease of installation. When comparing walk doors keep in mind that the door delivered from Steel Building Accessories will meet or exceed all of your expectations.

Our walk doors provide a lot of the extra "add-ons" that you would have to pay from another supplier for an additional cost.

Standard walk door features include:

- ✓ 20 Gauge, Galvanized, Insulated Door Leaf on 3070 (18 gauge on 4070 and 6070)
- ✓ 5 3/4", 16 Gauge, Galvanized, Insulated, Door Frame
- ✓ 16 Gauge, Galvanized Subframe (Framed Opening). Sized to Match Girt Depth
- ✓ Cylindrical Lever Lock – Grade 2 (26D Finish)
- ✓ (3) Ball-Bearing Hinges – 4 1/2" x 4 1/2" with a Non-Removable Pin (26D Finish)
- ✓ 5 3/4", Aluminum Threshold – ADA Compliant
- ✓ Door Bottom Sweep with Drip Channel
- ✓ Adjustable Full Aluminum Channel
- ✓ Weatherseal
- ✓ 12 Gauge, Galvanized, Adjustable Mounting Clips
- ✓ All Fasteners and Anchors Included for Complete Installation
- ✓ Packaging – Each Door System is Packaged in Heavy Duty Wood Crating

Thank you for giving us the opportunity to provide you with your steel building accessories.
